# Life Sciences Practice Group

We are a PCAOB registered and inspected firm experienced with organizations involved in the field of medical or chemical research, production and distribution. Our clients have a diverse set of needs based on the stage of the business lifecycle they are in and the complexity of the products under development.

As your CPA firm we will help you address the financial reporting expectations of your investors and lenders in a proactive, collaborative manner. Our professionals will work to complete projects on time and on budget by using experienced staff, partner involvement and extensive planning.

## *Life Science Industry Support*

### YOUR FINANCIAL LIFECYCLE NEEDS

We recognize that businesses in this sector may be in radically different stages of development. PMB Helin Donovan supports clients in the start-up phase where they need more assistance with initial development items through the mature stage of operations where transactional and reporting demands have grown.

Our professionals will ensure your financial reporting and tax needs are met and help identify and evaluate the proper advisors for funding and capital needs, intellectual property issues, and technology requirements.

### FINANCIAL REPORTING AND TAX SERVICES

We are experienced in the financial reporting needs of Life Science businesses.

Our services include:

- Financial statements; reviews & compilations
- 10-K, 10-Q & 11-K filings & IPOs
- SEC registration statements
- SEC compliance & communications
- Sarbanes-Oxley compliance
- Internal audit & controls
- Tax planning & return preparation
- Financing issues from venture capital development to banking relationships
- Cash flow forecasting & management
- Revenue recognition & accounting issues
- Merger & acquisition support
- R & D tax credits & incentives
- Due diligence
- Best practices development
- SAS 70 & SSAE16
- Risk Advisory Services (RAS)

### WHY PMB HELIN DONOVAN?

Our firm is capable of handling the financial reporting, accounting, tax and advisory needs of your profession. Whether your organization is privately held, publicly traded, planning to go public, a not-for-profit entity, or geographically located in different parts of the world, we can help.
